Customer information POP regulation

With the entry into force of EU Regulation No. 850/2004, the manufacture, placing on the market, and use of prohibited and restricted substances were regulated at the European level.

With this regulation, the EU transposes the international agreements of the Stockholm Convention and CLRTAP into EU law.

In accordance with this regulation, we hereby confirm that no substances of the aforementioned regulation are used in our products.

Should you have any questions, please do not hesitate to contact us.

best regards
